

Team 52 Action Plans

Purpose

Goals and action plans are important for any team, but especially so for project teams. Research demonstrates that teams need structure to be effective. The activities and tools in this contract are designed to assist our study team to create structures and norms for working together effectively.

Team Details

	Team Member Name	Email / Contact Number
1	Rishi Jain	21f1002476@ds.study.iitm.ac.in
2	Hariom Kumar	23f2004225@ds.study.iitm.ac.in
3	Ashirwad	23f2000650@ds.study.iitm.ac.in
4	Harsh Vardhan	24f1002285@ds.study.iitm.ac.in
5	Shrinidhi Kumar	23f1002153@ds.study.iitm.ac.in

Team 52 Action Plans

Transition Processes

Periodically, teams need to focus on planning and/or evaluation activities to guide accomplishment of team goals. Processes include setting goals and specifications and formulating strategies to achieve them.

Questions

a

What are our performance goals (e.g. grade, innovation, quantity of work)?

b

What are our learning goals? What knowledge or skill development will we focus on together?

c

What are our people goals?

Team Action Plan

- **Performance:** target an S grade; deliver innovative, well-researched report on time.
- **Learning:** strengthen research, analytical writing, and presentation skills together.
- **People:** build supportive peer relationships, make newer connections and enjoy the collaborative process.

Team 52 Action Plans

Action Processes

Activities that enable goal accomplishment include monitoring progress toward goals, systems monitoring, team monitoring and backup responses, and coordination activities.

Questions

- a** How will we organise leadership for project?
- b** What roles would the other members play?
- c** How are decisions made?
- d** How will we work together at different stages?
- e** What communication mode will we use?

Team Action Plan

- **Leadership:** given Rishi's ENFJ-A profile, he will take the lead in the group project.
- **Roles:** aim to assign work as equally as possible and reassign each deliverable.
- **Decisions:** consensus first; majority vote if unresolved within 24 hours.
- **Workflow:** brainstorm together, split tasks, pool drafts, peer-review before submission.
- **Communication:** WhatsApp for daily updates; Google Meet weekly; and email for formal records.

Team 52 Action Plans

Action Processes

Activities that enable goal accomplishment include monitoring progress toward goals, systems monitoring, team monitoring and backup responses, and coordination activities.

Questions

a When & where will we hold meetings?

b How will we share the workload? What will we do when a team member is doing less work than others? What happens if someone is legitimately unable to work?

c How are decisions made?

d How will we review progress?

Team Action Plan

- **Meetings:** would be held on a common gmeet link on weekends. Date & time should be decided on availability.
- **Workload:** aim to assign work as equally as possible and reassign each deliverable. Only under legit reasons, work shall be redistributed among members, if a member finds himself unable. In case of illegit reasons, as a final resort, members should raise the issue with the course team.
- **Resources:** will try to collect resources from repositories, articles and journals and place them in drive.
- **Tracking:** will try to make regular updates with each member about their tasks and set strict prior internal deadlines.

Team 52 Action Plans

Interpersonal Processes

Activities that involve managing relationships within the team, including conflict management, motivation and confidence building, and managing affect (emotions).

Suggested Questions

- a** How will we manage conflict within the team?
- b** How will we keep each other motivated and confident?
- c** How will we manage emotions and stress, especially near deadlines?
- d** How will we handle a member who is not contributing fairly?

Team Action Plan

- **Conflict:** try to address issues openly in the next meeting, followed by a 24hr cool off period. Finally, seek guidance from course team if need be.
- **Motivation:** by celebrating small wins and acknowledge each member's contribution explicitly.
- **Wellbeing:** respect study/work commitments and encourage to flag stress early so workload can be rebalanced.
- **Accountability:** friendly check-in first followed by a documented warning. Finally raise with Shyam sir if need be.
